

Steering Columns, U-Joints and Shafts

FLAMING RIVER BILLET U-JOINTS

SINGLE U-JOINTS

CNC machined from aircraft steel to precision tolerances. The sealed needle bearing design will last ten times longer than a standard pin and block universal joint. Nickel plating prevents rust without the hassle of painting. Polishing available for a "stainless look" at a nominal charge. Quality at an affordable price.

- Standard finish starts at \$74.95
- Polished finish starts at \$94.95
- Mill finish stainless steel starts at \$84.95
- Polished stainless steel starts at \$109.95

DOUBLE U-JOINTS

Same features of the single u-joint except it accommodates angles up to 60 degrees.

- Standard finish starts at \$174.00
- Polished finish starts at \$194.90
- Mill finish stainless steel starts at \$197.00
- Polished stainless steel starts at \$212.00

VIBRATION RESISTOR U-JOINTS

Incorporates a thermal plastic rubber bushing to dampen "road shock".

- Standard finish starts at \$187.95
- Polished finish starts at \$207.95

FLAMING RIVER STEERING SHAFTS

Stainless steel splined and Double-D shafting available in many sizes and lengths.

- Mill finish stainless DD shaft, 18 to 36" \$65.60- 87.65
- Polished stainless DD shaft, 18 to 36" \$87.65-105.29
- Polished stainless splined shaft, 4 to 36", 3/4"-36 . . \$76.60

FLOOR MOUNT

Billet aluminum ball swivels up to 60 degrees.

- Floor mount 1-3/4" or 2" dia. \$94.50

COLUMN DROPS

Adjustable angle column drop for 1-3/4" or 2" dia.

- 2-1/2 to 6-1/2" drop \$89.95
- 2-1/2 to 6-1/2" drop for keyed column ... \$96.50

FLAMING RIVER STEERING COLUMNS

These columns are manufactured by Flaming River using all new parts and are ideal for Hot Rods, Pickups, Classics, Muscle Cars and many other applications. Each column comes complete with gearshift knob, billet dress up kit (tilt, turn signal levers and hazard knob), illuminated gearshift indicator and GM wiring (4-1/4 in. connector) and removable 12-position linkage arm. Shaft size is 1 in. DD. 2" tube diameter. Combination neutral safety switch/back up light is available and must be ordered with column. Columns are available 28", 30", 32", 33" and 35" long.

All Flaming River columns are made from 304 grade stainless steel, in paintable mill finish OR polished to a high luster. They will never rust and are chemically clean and can be painted to match or highlight an interior with only minor preparation.

FLOORSHIFT TILT

- Mill finish stainless steel starts at \$369.00
- Polished stainless steel starts at \$469.00

COLUMN SHIFT TILT

- Mill finish stainless steel starts at \$559.00
- Mill finish stainless steel w/neutral safety starts at ... \$647.87
- Polished stainless steel starts at \$699.00
- Polished stainless steel w/neutral safety starts at \$781.87

FLOORSHIFT TILT WITH KEY

Includes GM coded key, wiring, ignition switch

- Mill finish stainless steel starts at \$549.00
- Polished stainless steel starts at \$749.00

COLUMN SHIFT TILT WITH KEY

- Mill finish stainless steel starts at \$699.00
- Polished stainless steel starts at \$899.00

CRUISE CONTROL

Cruise control can now be added your Flaming River Tilt Column. Designed for non-computer engines. GM-style turn signal lever.

\$299.00

UNISTEER U-JOINTS

Polished stainless steel with long lasting needle bearings and a 38 degree working angle. Uses a pinch bolt for secure mounting. Many possible combinations of: 9/16"-26, 3/4"-36, 3/4"-30, 1"-48 splines, 3/4" smooth and 3/4", 1" DD shafts

- Polished stainless u-joints \$75.00
- DD Shaft, 23" Plated (notched on one end) \$32.40
- DD Shaft, 35" Plated (notched on both ends) \$48.60
