- AU-2070 stock height** . . . . . pair **\$239.95**
- Bearings and seals** . . . . . pr **\$15.95**

### TUBULAR UPPER AND LOWER A-ARMS

Heidt's tubular control arms are TIG welded and fully assembled with bushings, ball joints and cross-shafts. Available in plain steel or polished stainless. The upper arm is a direct replacement for the stock upper A-Arms.

The lower tubular control arms are designed to use the stock style coil springs and shocks. The stronger GM style "A-Arm" design does not use the original strut rod for a cleaner appearance. Includes sway bar mounts. Must be used with the correct longer sleeve and gusset.

- CA-101 Plain steel upper control arms** . . . . . **\$265.00**
- CA-101-SS Polished stainless steel upper control arms** **\$600.00**
- CA-103-S Plain steel lower control arms** . . . . . **\$449.00**
- CA-103-SS-S Polished stainless steel lower** . . . . . **\$1,200.00**

NOTE: Narrowed upper/lower sets available

### COIL-OVER LOWER ARMS

Heidt's lower A-Arms will accept any standard aftermarket coil-over shock. Available in mild steel or polished stainless steel for the ultimate in appearance. Assembled with bushings and ball joints.

- CA-103-M Plain steel** . **\$465.00**
- CA-103-SS-M Polished Stainless Steel** . . . . . **\$1,200.00**
